TOMMY THOMPSON

October 1, 2010

Mr. John J. Johnson
Executive Director
Kentucky Commission on Human Rights
332 West Broadway, Suite 700
Louisville, Kentucky 40202

Dear Mr. Johnson:

I would like to add my congratulations to the Kentucky Commission on Human Rights in celebrating the Agency's Golden Anniversary. For over fifty years, this Agency has provided the citizens of Kentucky protection from discrimination by enforcing the 1966 Kentucky Civil Rights Act.

The Kentucky Commission on Human Rights has provided outstanding leadership in working towards fulfilling the goal of eradicating discrimination through enforcement of the Kentucky Civil Rights Act and the other legislation that has followed.

May you have fifty more years of success in your endeavor to bring equality to all individuals in the Commonwealth.

Sincerely,

A handwritten signature in black ink, appearing to read "Tommy Thompson", written over a horizontal line.

Tommy Thompson
State Representative
